

WHITE PAPER

La Casa del Compadre

Unidos por la Comunidad

Founder: Fredy Herman Morey Trigozo, CEO – Morey Group - 2025

Vision

To create an **international network of solidarity and support** for the Peruvian community in Italy and worldwide, using innovative, inclusive, and sustainable structures made from **recycled containers**.

Mission

- Provide **safe spaces** for reception, listening, and social support.
 - Support Peruvian migrants in Italy with **healthcare, legal, work, and cultural integration**.
 - Build in Peru **orphanages, shelters for single mothers, mobile clinics, and training centers**.
 - Promote **human dignity, education, and community growth**.
-

The Concept – Containers into Communities

Recycled shipping containers are transformed into modular units:

- 🏠 Emergency housing.
- 🗣️ Listening and counseling rooms.
- 📚 Educational and cultural classrooms.
- 🍽️ Refectories and common dining areas.
- 🏢 Offices and coordination spaces.
- 🚻 Sanitary blocks with accessible bathrooms and showers.

Implementation

In Italy

- Health & social assistance for migrants.
- Job orientation and training programs.
- Italian language and intercultural activities.
- Legal & administrative support.
- After-school activities and child care.

In Peru

- **Container orphanages** for vulnerable children.
- **Shelters for young mothers** with psychological and professional support.
- **Mobile healthcare units** for rural areas.
- **Vocational training centers** for youth employment.

Added Value

- **Economic:** Low-cost, modular, and replicable structures.
- **Social:** Inclusion, prevention of marginalization, protection of vulnerable groups.
- **Environmental:** Recycling and reusing containers, low-impact construction.
- **Cultural:** Preservation of Peruvian identity within the Italian and global society.

Roadmap

- **2025–2027:** First Listening Center in Italy; prototype container unit in Peru.
- **2028–2030:** Network of centers in major Italian cities; first orphanages in Peru.
- **2030+:** International expansion; creation of *La Casa del Compadre Foundation*.

Call to Action

One container, a thousand dreams.

Support *La Casa del Compadre* and help transform recycled containers into **homes of hope, classrooms of growth, and clinics of life** for the Peruvian community in Italy and Peru.
